

LETTER OF RECOMMENDATION**Date:** 7 August 2026**Reference:** Nikhilesh H. Chavda, AI Video Generation Intern**To Whomsoever It May Concern**

This letter is to formally recommend **Nikhilesh H. Chavda**, who has been engaged with **Fin Maverick**, a brand operated by Pravesio Consulting Private Limited, as an **AI Video Generation Intern** (remote) **since 1 July 2026**. His role centres on AI video generation and quality control, producing videos through the Company's approved AI tools and workflows, and reviewing each output for accuracy, consistency, and adherence to brand standards.

Areas of Contribution

- Generating instructional and promotional videos using the Company's approved AI video generation tools and workflows.
- Performing quality checks on each output, identifying inconsistencies or errors, and revising work to meet brand and content standards.
- Delivering finished videos within agreed output and quality targets under a flexible, self-directed working arrangement.
- Coordinating professionally with the content and marketing teams to align video output with course and campaign requirements.

During his engagement so far, Nikhilesh has demonstrated reliability, attention to detail, and a good understanding of AI-assisted video production. He has approached his assigned targets diligently and has maintained professional conduct in all his interactions with the team.

We are glad to support his candidature for any academic, professional, or internship opportunity he may pursue, and are happy to be contacted for any further clarification regarding his work with us.

Sincerely,

Niyati Arora
